

## GAME BOARD:

# tic tac snow

Print this page onto 8.5x11 paper. Cut out the game board and the pieces. Set up your Elf on the Shelf with the game board in front of him or her and 5 of the game pieces. Grab an action figure, stuffed animal or Barbie and place it on the other side of the game board with the other pieces.

Strategically place a few of the pieces on the board and leave for your children to find!

After the elf moves the next night, leave the game board for the kids to play with!

## GAME PIECES:
