Christmas Themed Cootie Catcher

Printable created by www.inspirationmadesimple.com. Personal use only. Do not alter.

DIRECTIONS: Print and cut out the square game piece. Fold like you would a typical cootie catcher. See a tutorial at <https://youtu.be/-i9tN-K8WqM?t=23s>

TO PLAY: One person holds the Cootie Catcher, while the other player chooses one of the four options: Santa, Tree, Elf, or Snowman. The person holding the game then spells the chosen option, opening and closing the Cootie Catcher as she does. Once done spelling the color, she shows the Cootie Catcher to the other player, who then chooses one of the available numbers. The person holding the game then counts to that number while again opening and shutting the Cootie Catcher. Once she is done counting, she again shows the game to the other player, who once again picks a number. This time she lifts the flap of the number that was chosen and reads the question or joke to the other player, who then gives their answer.

Christmas Themed Cootie Catcher

Fill in this blank Cootie Catcher with your own questions, jokes, or challenges for a fun and festive Holiday Activity!
