VALENTINE BINGO

GAME PIECES

HOW TO PLAY:

Up to 8 players, plus one caller.

Print the Valentine Bingo cards and game pieces and cut them all out.

Find something to use as markers to mark off spots on the board when it gets called, for example: Squirrel or Moose. Coins or construction paper work well.

Have one person act as the caller. They pull the game pieces from the drawing pile and the players get to put a marker on that picture on their board.

Once someone has five in a row they shout out "bingo!" and win that round!
